MUMBLES 2018 TOY COLLECTION

We are delighted to present our new **Mumbles 2018 Collection**, with lots of new toys and ideas to choose from. New for 2018 are 10 new styles for our Zippie Range. Zippies by Mumbles are cleverly designed plush toys that have a zip access and inner removable pad allowing for access to the front of the toy for direct embroidery or print. 2018 sees the addition of a number of toys suitable for newborns, special gifts and promotional products, we have even added in a Reindeer for that festive feel.

ENJOY YOUR ADVENTURE
INTO THE MUMBLES WORLD

LET YOUR
IMAGINATION
RUN WILD...

ZIPPIES BY MUMBLES

Zippies by Mumbles are cleverly designed plush toys that allow for decoration directly onto the toy.

The animals and bears have been designed with a clear front panel area and a zip access at the bottom of the toy with a removable inner pad which allows the toy to be either printed, sublimation printed or embroidered directly onto the front panel of the toy. Let your imagination run wild...

ETHICS AND STANDARDS

Mumbles work with the very highest level of manufacturers developing strong, long-term partnerships to promote understanding of International Ethical Trading practices. We work with all our global suppliers to promote respect for workers' rights, ensuring workers are free from exploitation and discrimination, and enjoy conditions of freedom, security and equality. We fully recognise the importance of the people and the countries where we manufacture and we require any associated manufacturer or supplier to share our commitment to fair and safe working practices. Our manufacturing locations are personally selected, inspected via an independent, fully recognised and accredited Ethical Auditing body and supported with continuous monitoring by our local representatives. This ensures working conditions and practices are to the highest standard and within local Government Laws.

In addition to ensuring our high Ethical standards are achieved, we support and sponsor a number of local charities within the communities with which we work and manufacture.

EN71 TESTING

All our products are tested to EN71 (CE) standards. EN71 is a European regulation ensuring that all toys are suitable for ages defined by 0+, from birth or +36 (suitable from 36 months.)
